- 16.10.24 – Parents Evening
- 17.10.24 – 9am - SEND coffee morning
- 23.10.24 – 3.40pm Diwali cake sale
- 24.10.24 and 25.10.24 – INSET Days

We are Writers

As writers in Term 1, we will continue with provision-based learning where the children will choose their learning but will also write as a small group with their teacher each day. We will read 'Stardust' and write what makes us special. The following week we will learn about what a sentence needs. We will read 'Lubna and Pebble' and write a character description as well as decorating our own special pebble friend. Finally, we will read 'Biscuit Bear' where we will create our very own biscuit bear!

We are Self-Aware Citizens

During our Friday afternoon PSHE lessons, we have been exploring the theme 'Being me in my world'. We will be learning about how we can make good choices, what rewards and consequences are, what different roles and responsibilities everyone has in school and learn about what our rights are.

We are Scientists

This term, we will be answering the question 'How do my senses help me to understand the world?'. We will learn about the 5 senses and have opportunities to work scientifically by using our senses to help us to understand them. By the end of the unit, we will be able to link each sense to the relevant body part.

Year 1 Curriculum Newsletter Term 1

We are Artists

As artists, we will be exploring line. We will use different mediums to create a range of lines and look at artists who use line in their work. We will then use their art to inspire us!

We are Designers

As designers, we are going to be looking at different structures and deciding what makes a stable structure. We will explore, design and create a prototype of a stable structure.

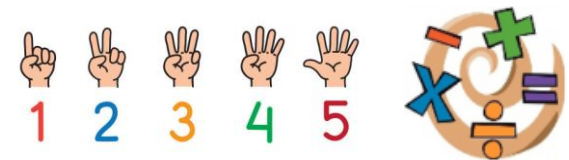

General Reminders:

Please remind your child to hand in their reading folder daily. This means that we can read with as many children as possible during the school day 😊

We are Mathematicians

This term, we will be practising our counting. We will be counting up to 100, counting groups of objects, counting with manipulatives and counting forwards and backwards. We will be subitising numbers and comparing different numbers. We will also develop our reasoning of number position. We will be using our Topaz power to explain our thinking.

This term we will also be...

Athletes – as athletes, we will be learning to skills to sidestep, gallop and skip.
Geographers – as geographers, we will be learning about the season of Autumn.
Citizens (RE) – as citizens, we will be learning about Christianity.
