Tuesday 10th October – Parents Evening
Wednesday 11th October – Parents Evening

We are Writers

As writers, we have been inspired by a wordless book called 'Journey' by Aaron Becker. We have developed our understanding of how specific word choices can impact our reader and have written some incredible expanded noun phrases.

In our non-fiction unit, we will be exploring the features of a news broadcast and write an article based on the book 'Shackleton's Journey.'

In our handwriting and spelling lessons, we will learn about words with the suffix 'sure', apostrophes, homophones and how to correctly form each letter in the alphabet.

We are Self-Aware Citizens

This term we are exploring the theme Being Me in My World. We will be thinking about how to help others feel welcome, how make our community a better place and how to work well with others. We also be considering everybody's right to learn and developing a class learning charter.

We are Historians

We will be learning about a period in history where Britain's settlements were dominated by the Anglo-Saxons and Scots (410AD-1066AD). This will also include the Anglo-Saxon struggle for the Kingdom of England to the time of Edward the Confessor.

Year 4 Curriculum Newsletter Term 1

We are Geographers

We will be learning about significant cities around the UK and where they are located. We will be learning about one specific landmark: Hadrian's wall.

We are Scientists

We will be learning to identify key bones and muscles in the skeletal and muscular systems within the human body.

General reminders

- PE days are Wednesdays and Fridays. (4SS and 4AP swimming term 1&2)
- Wear full PE kit on PE days.
- Remember to read everyday and practise timetables up to 12x12!

We are Mathematicians

This term, we will be recapping our knowledge of column addition and subtraction methods to ensure we are confident when demonstrating our fluency, problem solving and reasoning skills. We will then move onto exploring, identifying and manipulating numbers up to 10,000.

Children will be receiving their TTRS login details and should be aiming to reach 15 minutes of playing time at home a week.

Place Value Chart

thousands	hundreds	tens	ones

6	7	12		3	8		
	5	6			9	3	
					1	3	1
						1	

This term we will also be...

Athletes - We will be learning the fundamental PE skills needed to stay active and to engage in playing rounders.

Computer scientists – developing our coding skills using Purple Mash.

Citizens – We will be learning about the creation, morals and values of Buddhism.
