

### Dates for the diary:

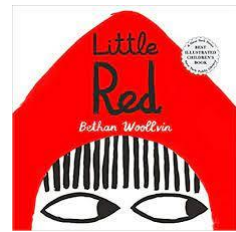

- Parent Forum 4 – Monday 27<sup>th</sup> February
- World book day – Friday 3<sup>rd</sup> March
- Science Week – 10<sup>th</sup> – 19<sup>th</sup> March
- Science Fair – Tuesday 14<sup>th</sup> March (15:30 – 15:45)
- Red Nose Day – Friday 17<sup>th</sup> March
- PTFA Spring picnic – Thursday 30<sup>th</sup> March
- Last day of term - Friday 31<sup>st</sup> March
- Term 5 starts - Monday 17<sup>th</sup> April

### We are Writers

This term, we will be looking at an alternative version of Little Red Riding Hood and discovering how many ways we can finish a sentence. We will be learning how to use exclamation marks and question marks in our writing.

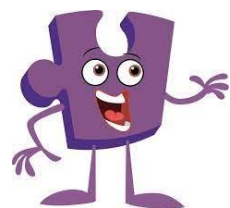

For our non-fiction unit, we will be learning how to write persuasively by writing a letter to the three little pigs.

Our handwriting lessons will continue to focus on letter formation of upper-case and lower-case letters.

### We are Self-Aware Citizens

During our Friday afternoon PSHE lessons, we will be focusing on relationships. We will be learning about relationships with family, friends and even people who help us. We will be using our diamond power to try and solve friendship issues ourselves, when we can.

### We are Scientists

As Scientists, we will be learning about different materials and how we can describe their properties. We will have lots of time to explore different materials and discover which ones are suitable for certain jobs and why.

## Year 1 Curriculum Newsletter Term 4

### We are Artists

In our Art learning we will be looking at how we can mix paint to create different colours.

### We are Geographers

As we start to see the signs of Spring emerging, we will be putting our Geographer hats on to observe the changes and compare what has changed since Winter. We will continue adding writing our class 'Season Books' which we add to as each new season arrives.

### General reminders

- Please ensure the children have a water bottle in school every day. These should contain water, rather than juice.
- Please remind children not to bring in any toys, stationery, personal items from home as they can get lost or broken.

### We are Mathematicians

In Maths we will be learning about additive structures and writing simple equations to represent them. We will be learning addition and subtraction facts within 10.

We will be continuing to work on our reasoning skills and understanding why something is correct or incorrect and how we can justify and prove our answers using mathematical language.

### This term we will also be...

#### Athletes

We will be working on our ball skills and our balancing skills this term. We will be focusing on how we can be creative with our bodies in our PE lessons.

#### Designers

We will use our Scientific knowledge of materials to help us to build structures.
