

Dates for the diary

- Wednesday 19th June 8:45 EAL community morning
- Thursday 20th June - Eidfest
- Tuesday 25th June PM– Sports day Year 2
- Wednesday 26th – Class Photos
- Wednesday 3rd July – Shuffle up day
- Friday 5th July – INSET
- Monday 8th July – Year 2 performance PM
- Tuesday 9th July – Year 2 performance AM
- Friday 12th July – Begfest
- Tuesday 23rd July – last day of term

We are Historians

As Historians, we will be learning about the Restoration of the Monarchy in 1660 and the problems that Charles II faced. We will also learn about the Great Fire of London and perform a class assembly.

In our writing lessons, we will be writing a diary entry in role as a resident on Pudding Lane and later creating instructions about how to prevent a fire.

General reminders

PE lessons are on Wednesday and Thursday. Please send your children into school in their trainers on these days.

Please read at home as much as you can and encourage your child to bring their reading book to school every day. We check reading records once a week.

Reading tree books will be collected in from 10th June.

We are Writers

As Writers, we are reading **The Proudest Blue**. We are thinking about the development of character as we unpick and enjoy the book. We will write a story with five parts focusing on all narrative features that we have learnt this year.

We will then be writing a persuasive letter encouraging people to join Begbrook Primary Academy.

We will continue with our amazing progress in handwriting and forming letters correctly. 

Year 2 Curriculum Newsletter Term 6

We are Mathematicians

As Mathematicians, this term we will be revisiting the strategies we have learnt to solve problems involving all four operations (addition, subtraction, multiplication and division). We will use concrete resources and our maths graphics to help us.

After that we will continue our learning about measure. We will explore length, capacity, volume and mass.

Throughout the term we will continue to develop our reasoning and problem solving, using our talking topaz power to share our ideas and explain our thinking.

We are Self-Aware Citizens

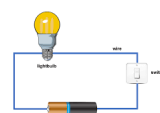

As Self-Aware Citizens, in our PSHE lessons we will be exploring the theme **Dreams and Goals**. We will think about setting class and individual goals that the children can achieve during the term and going into Year 3.

We also reflect on our behaviour for learning and set ourselves a gem target for the week ahead.

We are designers

As Designers, we will be exploring fabrics and threads, learning tying and knotting techniques, alongside weaving and stitching. We will learn to use a dip-dye process to transform the fabrics for our designs.

We are Artists

As Artists, we will be looking at line drawing. We will look at the work of key artists such as Boris Schmidt and we will use different techniques to explore line art.

This term we will also be...

Athletes – learning dance alongside developing our athletic skills ready for sports day.

Musicians – learning the fundamental skills of music, including rhythm and pitch.

Computer scientists – exploring how computer programmes can be used to make music.
