- 5<sup>th</sup> July – Shuffle up day
- 7<sup>th</sup> July-INSET DAY
- 14<sup>th</sup> July-BEGFEST
- 21<sup>st</sup> July-Last Day of Term 6

### We are Writers

**Narrative unit: The Wild Robot by Peter brown**  
As writers we are exploring how writers develop characters in The Wild Robot. We are using what we know about the characters in our story to write our own alternate scene for Roz the Robot!

#### **Non-fiction unit: Persuasive advert**

We will be using our knowledge of Robots to write a persuasive advert! This will use so much of our Year 3 grammar learning.

#### **Handwriting and spelling**

This term we will be focusing really hard on our Year Three word list to get us ready for Year Four!.

### We are Self-Aware Citizens

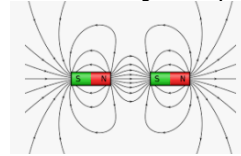

During our Friday afternoon PSHE lessons, we have been exploring the theme **Dreams and goals**. In this learning we have been exploring what dreams and goals are and how we can reach and achieve them!

### We are Scientists

#### **Magnets**

In this unit, we will be exploring the question 'how do magnets help us?'. We will be learning all about the magnetic forces and we will be working scientifically to ask questions and draw conclusions. We will demonstrate some of our learning by writing an advert for a prototype!

## Year 3 Curriculum Newsletter

### Term 6

### We are Geographers

#### **Comparing England and the Mediterranean**

In this unit, we will be learning about how England and the Mediterranean have different geographical features and climates. We will explore both the differences and similarities and create a leaflet asking people to visit the Mediterranean..

### General Reminders:

PE lessons are on Tuesday and Wednesday. 3CW have got Bristol sport this term on Fridays instead of their Wednesday PE slot.

Homework is due in on Wednesdays. New homework will be given out on Thursdays.

Bookmarks are checked on a Monday morning. Please support your child with recording their home reading on their bookmark. The children's hard work with home reading is really paying off! Keep it up!

### We are Mathematicians

We will begin Term 6 by working on non-unit fractions.

We will then move on to looking at shape. Our focus will be parallel and perpendicular sides in polygons.

Finally, we will look at how to tell the time!

### This term we will also be...

**Athletes** - developing our fundamental skills on a Tuesday, and our basketball skills on a Wednesday or Friday.

**Computer scientists** – developing our coding skills using Purple Mash.

**Musicians** – learning the fundamental skills of music, including rhythm and pitch.
