

### Dates for the Diary:

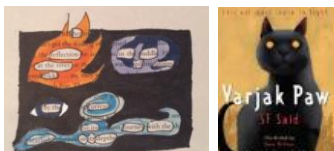

- 12<sup>th</sup> June (week) -Year 4 Multiplication Times Table Check
- 26<sup>th</sup> June (week) Sports Week
- 7<sup>th</sup> July-INSET DAY
- 14<sup>th</sup> July-BEGFEST
- 21<sup>st</sup> July-Last Day of Term 6

### We are Writers

As writers, we have been inspired by a magical book called 'Varjak Paw' by SF Said.

We will be revisiting our skills of figurative language and how these can create character and setting descriptions.

In our non-fiction unit, we will explore the features of black out poetry. We will compare this for poetry to more classic styles. Children will gain inspiration from famous extracts and create our own piece of black out poetry class.

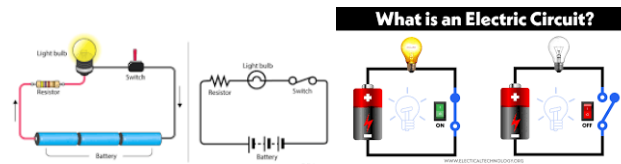

### We are Self-Aware Citizens

Our focus this term is to dreams and goals. We will be learning hopes and dreams and the feelings of success and disappointment around them. We will explore the steps necessary to achieve and set successful goals as a group and as an individual. Lastly, we will learn to acknowledge our contribution to a teams success.

### We are Scientists

This term we will be exploring circuits. We will learn the purpose and the functions of an electrical circuit.

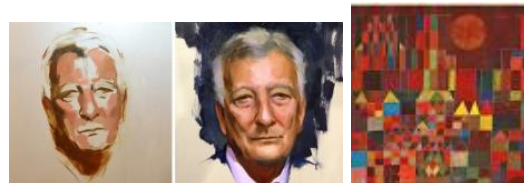

## Year 4 Curriculum Newsletter Term 6

### We are Artists

We will be investigating why blocking is an important method or technique when painting. We will be applying our knowledge of colours using primary, secondary, and complementary and contrasting colours creating lines and shapes with equal consistence

We will also be looking into the work of artist Paul Klee.

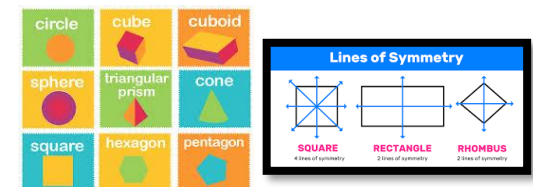

### General Reminders:

- The school day starts at 9am.
- PE days Thurs. (*Swimming kits 4SS & 4FM Thurs*)
- Wear trainers on PE days.
- Learning at home will be given out on a Friday and is due in on Wednesday.
- Remember to read 5 times a week!

### We are Mathematicians

This term, we will be learning to identify the line of symmetry. We will also be looking at geometry and broadening our knowledge of shape. We will move onto some long division and division with remainders. We will end the term learning with some consolidation of our learning throughout the year.

### This term we will also be...

**Athletes** - We will be learning the fundamental PE skills and focus on techniques needed for athletics.

**Music** - We will be learning to learning to play the glockenspiel.

**Computing** - We will be programming and debugging.
