CLF Equality, Diversity and Inclusion Statement

Begbrook Primary Academy, part of the Cabot Learning Federation (CLF), recognises, and celebrates diversity, including that which exists within our pupil and staff populations and the communities we serve and support. We are committed to advancing equal opportunities for all and eliminating discrimination and bias on any basis, including disability, ethnicity, gender, gender identity, age (except pupils), marriage and civil partnership, pregnancy and maternity, sexual orientation, and religion or belief (defined as Protected Characteristics under the Equality Act 2010) so that equality, diversity and inclusion (EDI) underpin all we do.

We recognise the following duties and responsibilities under the Equality Act 2010:-

- Eliminating discrimination, harassment, victimisation and other conduct that is prohibited by the Act for pupils, colleagues and the community the school serves;
- Advancing equal opportunities between people who share a protected characteristic and people who do not share it;
- Fostering good relations across characteristics including promoting learning, acceptance and equality between people who share a protected characteristic and people who do not share it.

Regardless of the statutory responsibilities the CLF recognises the positive impact that a cohesive and inclusive EDI strategy can achieve.

This includes but is not limited to;

- a) Ensuring that all students maximise their potential regardless of their background or characteristics including protected characteristics.
- b) Monitoring and responding to the changing diversity of our students, communities or colleagues and the opportunities and risks this presents.
- c) Addressing under representation within the work place and in particular within leadership positions. Broad representation is key to ensuring that both pupils and staff have positive role models to provide inspiration and ambition.
- d) Deliberately pursuing strategies to ensure fair and equal pay opportunities for different groups, including but not limited to addressing the gender pay gap.
- e) Harnessing the power and leverage of leadership and diversity within the Academy.
- f) Challenging behaviour that does align with the act including unconscious bias.
- g) Celebrating and promoting the opportunities created through EDI.

At Begbrook Primary Academy we recognise that supporting a diverse organisation is a continuous process where long term and sustainable plans are key. We recognise that attracting, advancing, developing, engaging and retaining a diversity of talent is important; alongside delivering equity of opportunity for our pupils whilst fostering an inclusive culture where differences are valued and enhanced. This is a continuous process where long term and sustainable plans are key that are measured on a systematic basis.

Begbrook Primary Academy holds a long and deep commitment to welcoming diversity, examples of which are demonstrated on a day-to-day basis throughout the Academy. The culture of the Begbrook Primary Academy has supported the aim to positively encourage EDI.

Our specific diversity related achievements and activities include:

- An annual plan of culturally significant events and festivals which are celebrated in assemblies eg. Eid, Christmas, Holi, Black History Month, Pride Month.
- Opportunities within the curriculum to learn about cultural and religious customs and festivals, including local trips and speakers.
- Our 'Begbrook Reading Tree' (consisting of key reading books for every year group) which promotes a love of reading for children and enables children to access books written by a culturally diverse set of authors and to access stories about a wide range of cultural experiences.
- A Pupil Voice Committee who meet fortnightly to discuss key aspects of school life and share the viewpoint of children across all key stages.
- Celebration events for a range of culturally diverse events such as Eidfest and our Christmas Fair.
- Communication with families to celebrate learning is accessible to all families and includes video and translation software where possible.
- Holding fundraising events throughout the year to support a range of charities that support the work of organisations from a wide range of countries which support enhancing the quality of life for people from different backgrounds to our own.
- The academy takes into account EDI in results monitoring and assessments.
- The curriculum teaches children through key concepts within local and global contexts and for example, as geographers or as people who are religiously conscious, or as historians, and this will ensure they have had regular opportunities to begin understand their diverse world.

The pursuit of the EDI agenda is a continuous process and our next objectives are:

- Create an inclusive display board to positively promote cultures and languages other than English
- Providing an improved translation service for parents who are new to English
- Pupils with a passion and interest in Equality, Diversity and Inclusion form a community group
- Update to BPA PSHE and Safeguarding planner to include diverse range of faiths in celebrations
- Implement termly SEND parent coffee mornings with opportunities for families to interact with representatives from a range of support agencies
