School Uniform Policy

Policy statement:

Our School Uniform is important to us. It is one way which helps us show that we all belong together and that we are dressed ready to learn. It promotes a strong, cohesive school identity which supports high standards and expectations in all areas of school life. It is also about preparing children for the future when there will be expectations about what is suitable to wear and how to present ourselves. It promotes harmony between different groups represented in the school. **Smartness and high standards of appearance are always expected.**

It is our policy that all children should wear school uniform when attending school, or when participating in a school-organised event outside normal school hours. We provide a complete list of the items needed for school uniform in this policy and on our website.

Aims:

Our policy is based on the notion that a school uniform:

- Promotes a sense of pride in the school
- Engenders a feeling of community and belonging
- Is practical and smart
- Identifies children with the school
- Is not distracting in class
- Makes children feel equal to their peers in terms of appearance
- Is regarded as suitable, and good value for money, by most parents

- Has been designed with health and safety in mind

Our uniform:

Our school uniform is compulsory for all pupils attending Begbrook Primary Academy. **To promote a sense of community and belonging, all children are requested to wear a navy-blue jumper/cardigan with the Begbrook Primary Academy school logo.** This item of clothing can be purchased from our online supplier. Alternatively, iron-on logo badges can be purchased from the school office. Parents can also purchase additional items of uniform online from our supplier.

If parents/carers wish to buy jumpers/cardigans, polo shirts or t-shirts (without the school logo) from other retailers, these items must be totally plain and match the colour of the school uniform.

Please see appendix one for details regarding our online supplier as well as our other initiatives for promoting and purchasing school uniform.
