

A Guide to Reading at Home

- Children are encouraged to read at least 5 times per week.
- They can read anything! They may bring home levelled books, Reading Tree books or have books, magazines or comics at home that they like to read.
- Children should record that they have read on their Termly Reading Bookmark. They can either put a tick in the box on the day they read or pop in the page number they are on to help them remember where they are up to. Teachers will look at these bookmarks weekly.
- Please support your child to find the time to read at home. Twenty minutes a day is recommended but this can be built up to, depending on your child.

My Term 1 Bookmark

Name: _____

Week beginning	M	T	W	T	F	S	S
3.10.22							
10.10.22							
17.10.22							
24.10.22 (Half term)							

When you have read, write the page number you are on in the box.

Remember, you should be reading **five times a week**.

An adult will check my bookmark every Friday.

- The Begbrook Reading Tree (**launching next week!**) is a collection of carefully chosen, high quality books.
- Each Year Group has a collection of 20-30 fiction, non-fiction, and poetry books.
- Children are encouraged to bring these home to read independently or with a grown up.
- Once children have finished one of the books, they can mark it off on their own book tick sheet.
- The aim is for children to read or share as many of the books as possible across the school year!

For further information on how to support your child as a reader, join us for a KS2 Reader information evening on Tuesday 1st November from 7-7.30pm.
