Thursday 28th September 2023

Dear Parents and Carers,

We wanted to say a BIG THANK YOU to all our children and families for your support and positivity over the past few days during our Ofsted inspection.

The inspectors were with us on Tuesday and Wednesday of this week and the children were great ambassadors for our school and community. They demonstrated our three school rules really clearly and were polite and welcoming to the inspectors throughout their time with us.

We are really proud of the children who spent time reading and speaking personally with inspectors - we've made sure to praise them and hope you can do the same at home, too.

Thank you also to the many parents who took time to complete the parent survey before the closing deadline of 3pm on the Tuesday afternoon. The feedback we received was helpful for the inspectors and will be helpful for us moving forward as a community. We'd also like to say thank you to those families who took time to speak to inspectors at drop off and pickups. The inspectors enjoyed talking with parents and finding out more about our school from a family viewpoint.

The final report will be published in about a month's time and we will be able to share this, along with our final outcome, with you at that time. Of course, there are learning and reflection points for us as we work hard to continue to improve the school. For now, we just wanted to thank you for your support and let you know that we are listening.

Please do get in touch with a member of the Senior Leadership Team if you have any further questions.

Kind regards,

Vicky Counsell
Principal
