Parent Academy Councillor Election

Dear Parent/Carer

Following the letter sent out on Friday 20th September 2024. I am pleased to advise that the Academy has received three nominations for the role of Parent Academy Councillor. An election will now take place. In this election parent/carers may each cast **ONE** vote, regardless of the number of children you have in the Academy. **Please complete the online [ballot paper](#) by 12 Noon on Tuesday, 8th October 2024.**

Or, complete the ballot paper by scanning the QR code below

A short message from each person standing for election is given below for your consideration.

Name	Candidate Statement
Miglana Eddy	My name is Miglena, however everyone calls me Maggie. I am a mum of two children, who are very happy, free spirited, very entertaining and from time-to-time frustrating individuals. I would love to be part of the council and be part of the Frome Vale community and instead of just taking from it, put something forward. I do have very good organisational skills.
Pawel Capik	Hello, I would like to join the Begbrook Academy Council to represent parents' and make a difference to our children's learning and growth. I am an academic with 20 years of experience in education in the UK and abroad. I want the best learning environment and growth opportunities for our children that Begbrook Academy can offer. I want our children to be safe, happy and challenged at school living up to their full potential and getting ready for the next stages in their education. When serving on the Council, I will bring parents' perspective to discussions and ensure decisions reflect our diversity.
Shaun Mudd	I am Head of Teaching Expertise Development at Bath Spa University, where I lead teaching strategy across the institution. I have over a decade of experience in the teaching profession, and serve on councils, boards and committees of this nature. I also have experience of leading preparations for audits and compliance (e.g. Ofsted). I am passionate about promoting inclusive education for all learners and would strive to ensure that all pupils at Begbrook are supported effectively. I currently work on initiatives
