Dear Parents/Carers

Due to the previous success of the EAL Community Group Meet ups we are extremely pleased to reintroduce this exciting initiative to our Begbrook School Community.

This is a wonderful opportunity for parents/carers from different communities to meet and learn new skills. Some of the activities that have taken place previously are; learning to knit, crochet and sew, sharing food and new recipes, the group have also made items that were sold at Winterfest and Eidfest. Alongside this many useful resources were made for the children to use in the classrooms.

The sessions will also provide opportunities for Parents/Carers to seek advice on any concerns they may have.

The first session will commence on Wednesday 3rd January 2024 at 8:45am – 9:30am in the Expressive Art Hall. The group will meet every 2 weeks.

Everyone is welcome, we are looking forward to learning and sharing new skills in a relaxed and friendly environment. Tea and Coffee will be provided.

King Regards
