Reception Information Meetings: Phonics and Reading

Dear Parents and Carers,

We are excited to share that our Reception children will start to bring phonetically decodable books home next term. To support with this, we will be delivering two meetings to give information and strategies about how to help your child learn to read.

During this meeting, we will outline:

- how we teach your child to read at school
- what we provide for your child's home learning practice
- how to help your child to read at home – including reading letter sounds, blending sounds together and using these skills when reading books

This year, we are introducing a new phonics programme called Unlocking Letters and Sounds and an improved range of reading books and resources to support early reading. We look forward to introducing these to you.

The dates and times are as follows:

Wednesday 2nd November 09:00

Wednesday 2nd November 18:00

Kind regards,
Clare Morton and Zoi Chambers
