

Bristol Parent Carers
Shaping the future together

Support Mapping Webinar for Parent Carers

Please come and join us on this online co-production session. The session will enable parent carers to work in partnership with commissioners to map services that are available within Bristol to support parent carers and understand what gaps there may be.

**Tuesday 19th
January
12.30 -
2.00pm**

It is important that we have your input, because the outcome of this session will inform the priorities for the Carers' Strategy, which will in turn inform decisions about the commissioning of services to support parent carers.
